EXECUTIVE ORDER NO. 13-1992

ESTABLISHMENT OF LAND REVIEW BOARD

By the authority vested in the Governor of American Samoa by the Revised Constitution and laws of American Samoa, it is hereby ordered as follows:

Section 1. Establishment of Land Review Board.

The Land Review Board of the American Samoa Government is established for the purpose of reviewing all vacant, unused or available Government land to project the needs of the Government for the future. If after making these projections of Government land needs there is still land available or not projected for Government use, then this available land will be viewed by the Board for either leasing or returning to the original land owners. The Board will work with the Real Property Management Board to make the projections for the Government's land needs.

The Board membership shall consist of 5 members appointed by the Governor with one among them also chosen by the Governor to be their chairman. The Board is to make annually these recommendations to the Governor for the Governor's approval.

Section 2. Effective Date.

This executive order shall be effective upon the appointment of the Board members by the Governor.

Dated: October 19, 1992

PETER TALI COLEMAN
Governor of American Samoa
