

TERRITORY OF AMERICAN SAMOA

OFFICE OF THE GOVERNOR

FAGATOGO 96799

EXECUTIVE ORDER NO. 18 -1986

(684) 633-4116

A. P. LUTALI
GOVERNOR

ENI F. HUNKIN, JR.
LIEUTENANT GOVERNOR

APPROVAL OF ASG CONSTRUCTION PROJECTS

WHEREAS, a number of ASG agencies, through grant-funding or local operations accounts, have either constructed or embarked upon construction of capital improvement projects including renovation or rehabilitation, without prior review outside the agency to determine appropriateness of the project to government goals and objectives; and

WHEREAS, often these projects are executed in an unacceptable fashion as far as workmanship and quality of materials are concerned.

NOW, THEREFORE, to bring this practice to an end, effective this date, all ASG departments, offices and other agencies are directed that no capital improvement project construction or rehabilitation shall be undertaken without prior referral to and approval of the Capital Improvement Project and Procurement Review Committee.

Further, all agencies are reminded to secure building permits for any capital improvement project construction or rehabilitation.

For the purpose of this executive order "capital improvement project construction or rehabilitation" refers to any construction with a value in excess of \$10,000.

The Capital Improvement Project and Procurement Review Committee may, in its discretion, delegate all or part of its function pursuant to this executive order to the Director of Public Works.

This policy shall remain in force until further notice.

Dated: Dec 12, 1986
