PERSONNEL REGULATIONS TO EMPLOYEES OF THE
WATER AND WASTEWATER UTILITY DIVISION OF
AMERICAN SAMOA POWER AUTHORITY

Section 1. Authority

This Executive Order is issued under the authority of Section 6 of Article IV of the Revised Constitution of American Samoa.

Section 2. Intert

The American Samoa Power Authority and the American Samoa Government desire that all employees of the American Samoa Power Authority, including employees of its water and wastewater utility division, be assigned, transferred, compensated, disciplined and terminated in a uniform manner under the same laws and regulations. The Executive Order No. 06-1988, which transferred certain American Samoa Government employees to the American Samoa Power Authority and created the water and wastewater utility division of the American Samoa Power Authority, inadvertently provided that such employees be subject to the general personnel laws and regulations of the American Samoa Government and not those of the American Samoa Power Authority. The American Samoa Power Authority is authorized by law, 15.0105 ASCA, to enact its own personnel regulations which it has done at 4.2001 et seq. ASAC.

Section 3. Personnel of the Water and Wastewater Utility
Division of the American Samoa Power Authority

All employees of the Water and Wastewater Utility Division of the American Samoa Power Authority shall be employed, assigned, transferred, compensated, disciplined and terminated in accordance with the provisions of the statute creating the American Samoa Power Authority, 15.0101 et seq. ASCA and the American Samoa Power Authority personnel regulations, 4.2001 et sequitur.
