EXECUTIVE ORDER NO. 11-1986

WHEREAS, 1987 marks the two-hundredth year of the United States Constitution; and

WHEREAS, the Bicentennial of the Constitution is an occasion for celebrating the establishment of our country as the United States of America under the social and political experiment of a Free Republic; and

WHEREAS, the Chief Justice of the United States has called upon the states, territories and possessions to join the celebration of the Bicentennial of the United States Constitution; and

WHEREAS, it is appropriate that the American Samoa Government create a framework within which such a celebration may occur.

NOW, THEREFORE, I, A. P. LUTALI, Governor of American Samoa, by virtue of the authority vested in me by the Revised Constitution and laws of the Territory of American Samoa, hereby create and establish the United States Constitution Bicentennial Commission of American Samoa. The Commission shall consist of a Chairman, a Vice-Chairman, and five members, each to be appointed by the Attorney General. All members of the Commission shall serve without compensation. The Attorney General may appoint such other persons as he deems necessary from time to time to serve on the Commission.

The Commission shall prepare an overall program for commemorating the Bicentennial of the United States Constitution in 1987, and shall plan, encourage, develop and coordinate observances and activities commemorating the historic events that preceded and are associated with the United States Constitution.

In preparing its plans and programs, the Commission shall consider any related plans and programs developed by any National Commission and local and private groups, and it may designate special committees with representatives from such bodies to plan, develop and coordinate specific activities.

Not later than August 15, 1986, the Commission shall submit to the Governor a report incorporating its specific recommendations for the commemoration of the United States Constitution Bicentennial and related events. The report also shall include proposals for legislation and administrative action the Commission considers necessary to carry out its recommendations. The Commission may, if it deems necessary, form separate administrative structures in order to carry out its responsibilities under this Order subject to the Governor's approval.

In fulfilling its responsibilities, the United States Constitution Bicentennial Commission of American Samoa shall consult, cooperate with and seek advice from appropriate territorial departments and agencies, local public bodies, learned societies, and historical, patriotic, philanthropic, civic, professional and related organizations. Government departments, offices and other agencies shall cooperate with the Commission in planning, encouraging, developing and coordinating appropriate commemorative activities.

The Commission shall determine if there are sites within the territory which are appropriate for preservation or development, in commemoration of the United States Constitution, in such manner as to ensure that fitting observances and exhibits may be held at the sites during the Bicentennial celebration.

The Chairman is directed to call an organizational meeting of the Commission and report to the Governor from time to time concerning the activities, plans and programs developed and implemented by the Commission for the Governor's approval.

This Order shall expire December 31, 1989.

IN WITNESS WHEREOF, I have hereunto set my hand on this

28<sup>th</sup> day of July, 1985.

  
A. P. LUTALI
