1                    **Instructions for completing Notary Acknowledgment Form**

2 All general acknowledgements completed in American Samoa must contain  
3 the verbiage as it appears in the document above as well as the  
4 following information:

- 5        1. "County" must be the county where the document signer personally  
6            appeared before the notary.
- 7        2. Date the signer appeared before the notary.
- 8        3. Print the name of the principal (person signing the document)
- 9        4. Notary must check appropriate box of the method used to confirm  
10            the identity of the signer and/or the official documents used to  
11            verify that identity.
- 12        5. Notary must check appropriate box to indicate the capacity of the  
13            principal.
- 14        6. Notary must sign the document and affix date commission expires
- 15        7. Notary must affix his/her seal or stamp.
  - 16            a. Notary impression must be clear and photographically  
17                reproducible.
  - 18            b. If impression smudges, re-seal or re-apply if a sufficient  
19                area permits, otherwise, complete a different  
20                acknowledgement form.
- 21        8. If applicable, Notary must indicate the type of document being  
22            notarized and any other information to identify and incorporate  
23            said document.
- 24        9. Securely attach this Acknowledgement Form to the signed document.
