- (b) Any displaced person eligible for payments under subsection (a) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (a) of this section may receive a moving expense allowance, not to exceed \$300, and a dislocation allowance of \$200;

- (2) The amount, if any, which will compensate the displaced person for any increased interest costs which the person is required to pay for financing the acquisition of a comparable replacement dwelling. III. LAND ACQUISITION

37.0115 Purpose.

This article prescribes the procedures for the acquisition of real property.

History: Relocation Asst. and Prop. Acq. Regs., eff prior to 1975, Reg. 3.01.

37.0116 Practices generally.

- (a) In acquiring real property the government will to the greatest extent practicable:
- (1) make every reasonable effort to acquire real property expeditiously through negotiation;
 - (2) before the initiation of negotiations have the real property appraised and give the owner or his representative an opportunity to accompany the appraiser during the inspection of the property;
 - (3) before the initiation of negotiations, establish an amount which is believed to be just compensation for the real property, and make a prompt written offer to acquire the property for that amount. In no event will the just compensation offered be less than the government’s approved appraisal of the fair market value of such property. At the time the government makes an offer to purchase real property, the owner of that property will be provided with a written statement of the basis for the amount estimated to be just compensation. In determining just compensation for the property, any increase or decrease of the fair market value caused by the public improvement for which the property is acquired prior to the date of valuation will be disregarded, other than that caused by physical deterioration;
 - (4) before requiring any owner to surrender possession of any real property:
 - (A) pay the agreed purchase price; or
 - (B) deposit with the court, for the benefit of the owner, an amount not less than the government’s approved appraisal of the fair market value of the property; or
 - (C) pay the amount of the award of compensation in a condemnation proceedings for the property;
 - (5) if interest in the real property is to be acquired by exercise of power of eminent domain, institute formal condemnation proceedings and not intentionally make it

necessary for the owner to institute legal proceedings to prove the fact of the taking of this real property; and

- (6) if the acquisition of only part of the property will leave its owner with an uneconomic remnant, offer to acquire that remnant.
- (b) in acquiring real property, to the greatest extent practicable, the government will not:
 - (1) schedule a construction or development of the public improvement that will require any person lawfully occupying real property to move from a dwelling, or to move his business or farm operation, without giving that person at least 90 days' written notice of the date he is required to move;
 - (2) if acquired property is rented to the former owner or tenant for a short term or subject to termination by the government on short notice, charge a rent that is more than the fair rental value of the property to a short-term occupant;
 - (3) advance the time of condemnation;
 - (4) defer negotiations, condemnation, or deposit of funds in court for use of the owner; or
 - (5) take any course of action to compel an owner to agree to a price for his property.
- (c) Should a court determine condemnation was unauthorized or the property owner obtain a judgment in the nature of inverse condemnation, or should the government abandon condemnation, then the owner shall be reimbursed for reasonable expenses of litigation, in line with Section 304, Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
- (d) Nothing in this chapter should be construed to preclude a donation by an owner after his property has been appraised and the full amount of the estimated just compensation has been tendered to him.

History: Relocation Asst. and Prop. Acq. Regs., eff prior to 1975, Reg. 3.03.

37.0117 Compensation by benefit from project.

- (a) Notwithstanding the provisions of 37.0116, where it is shown by appropriate means that a projects will result in a direct benefit to a person, family, or village having custody of lands required by the government for such project, and where such benefit will at a minimum equal the value of lands to be acquired and/or damaged, such benefit to the owner will constitute just compensation; provided, that in all cases .he government shall compensate owners for immediate losses of crops, food-producing trees, and manmade improvements. This determination of equal value in benefits for the land use must be agreed to by the property owners in writing in the presence of the secretary for Samoan affairs.
- (b) When the acquisition of land under this article is made for projects or purposes which are not a direct benefit to the village or family having custody of such land, the government will provide compensation in accordance with 37.0116.

History: Relocation Asst. and Prop. Acq. Regs., eff prior to 1975, Reg. 3.04.

History: Relocation Asst. and Prop. Acq. Regs., eff prior to 1975, Reg. 3.04.1

 2) For up-dating this list, use this formula - (P x R) + P
 Where P = Production cost of crop/plant from base year (in this case, 1977)
 R = Inflation rate.

TITLE 37 – CHAPTER 03 – RELOCATION
POLICY FOR ASG TENANTS DISPLACED BY
ASG SPONSORED REDEVELOPMENT
PROGRAMS

Sections:

- 37.0301 Authority.
- 37.0302 Purpose.
- 37.0303 Definitions.
- 37.0304 Objectives.
- 37.0305 Basic acquisition policy-Establishment of just compensation.
- 37.0306 Steps ASG will take to minimize involuntary displacement of tenants.

37.0301 Authority.

Authority to promulgate these rules arises from 24 CER Part 42, which places the responsibility on ASG to form a local displacement policy when working on HUD redevelopment projects. Authority is also found in Chapter 1, Title 10 of the American Samoa Code Annotated.

History: Rule 19-87, eff 28 Dec 87.

37.0302 Purpose.

With some regularity the American Samoa Government sponsors redevelopment projects within the territory. As a result of these redevelopment projects, the American Samoa Government must occasionally terminate some tenants' leases. The purpose of these rules is to establish a relocation policy for tenants displaced from their leasehold as a result of these redevelopment projects.

History: Rule 19-87, eff 28 Dec 87.

37.0303 Definitions.

The words and phrases appearing in this chapter requiring definition are defined as follows:

- (a) "ASG" is the American Samoa Government.
- (b) "Displaced tenant" is any individual, partnership, corporation or association who, as a result of an ASG redevelopment project, vacates and relocates to another location.
- (c) "HUD" means Department of Housing and Urban Development, a department of the U.S. Government which sponsors redevelopment projects.

History: Rule 19-87, eff 28 Dec 87.

37.0304 Objectives.

The following objectives shall be pursued by the redevelopment committee:

- (1) to ensure that displaced tenants with leasehold interests in real property being reclaimed for redevelopment by ASG are treated fairly and consistently, to encourage and expedite acquisition by agreements with such displaced tenants and to promote public confidence in redevelopment projects conducted by ASG;
- (2) to ensure that displaced tenants of ASG property are treated fairly, consistently, and equitably and to ensure against disproportionate injuries as a result of ASG projects designed for the benefit of the community.

History: Rule 19-87, eff 28 Dec 87.

37.0305 Basic acquisition policy-Establishment of just compensation.

Upon 90-day notice of termination, ASG will attempt to provide displaced tenants an alternative location as close as possible to the original location. If a satisfactory location cannot be found, ASG will provide the following assistance:

- (a) The last 3 months of the tenancy will be rent-free.
- (b) If the displaced tenant elects to move his business to another location, and providing the displaced tenant has no outstanding debts to ASG, ASG will reimburse actual, verifiable, moving expenses in an amount not to exceed \$500.

History: Rule 19-87, eff 28 Dec. 87.

37.0306 Steps ASG will take to minimize involuntary displacement of tenants.

The American Samoa Government will take the following steps in an effort to minimize involuntary displacement of tenants:

- (1) design projects to reduce displacement of indigenous businesses;
- (2) attempt to relocate tenants in other ASG facilities;

- (3) complete projects without undue delay to minimize tenants' temporary relocations, if there are any.

History: Rule 19-87, eff 28 Dec 87.
