Subject: Veterans Memorial Bill

Dear Mr. President:

I have today approved S.B. 29-65, the Veterans Memorial bill, which appropriates \$500,000 from unobligated and unbudgeted revenue from fiscal year 2006 to fund the construction of a memorial commemorating our veterans and their sacrifices in defense of their country and Territory.

Considering the sacrifices of our people in protecting our great nation, I believe that this act is entirely appropriate. From the beginning of this Territory's relationship with the United States of America, Samoans have courageously shouldered their burden of defending the U.S. and American Samoa, without hesitation. This commitment to duty, honor and country is deserving of recognition. This act goes a long way toward providing that acknowledgment and appreciation.

Thank you for the work that you and your colleagues put toward this bill to ensure its passage in this fourth special session. Should you have any questions regarding this action, please do not hesitate to contact me.

Sincerely,

TOGIOLA T.A. TULAFONO
